Round 11 results in pictorial form:

Do you have any idea how hard it is to find a picture of a swan attacking a lion? Also, that's DC Comics character, Lady Blackhawk beating up some sailors and a kangaroo punching a moorhen; close as I could get to Dockers and Crows.

Part of me was hoping for a Cats and Bulldogs draw so that I could use this fantastic image:

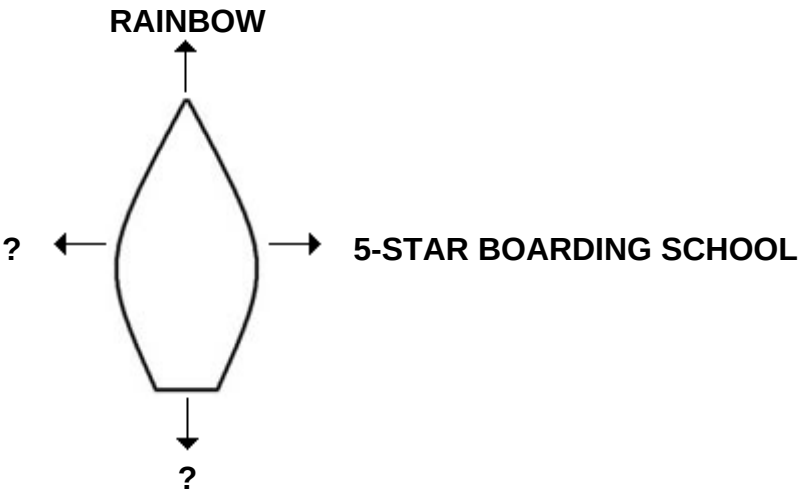

This week's highest tipper was Di, who was the only tipper to select Melbourne over Essendon and only hiccupped (or is it hiccupped?) on the perfectly even-odded matchup between Brisbane and Sydney. Also, this round is a lesson to people with default strategies: something like "all favourites" doesn't necessarily guarantee you a default tip.
