Geelong Cats...Soaking up the Sun and using Gold Coast beaches as their litter tray since Round 10

Round 9 was the Indigenous Round, Round 12 was Women's Round and Round 20 can be the "Percentage Boosting Round" with Collingwood more than septupling Port's score and Geelong almost quintupling Gold Coast's (why isn't pentupling a word?). In doing so, Geelong became the first team to ever win consecutive matches by 150 points or more and pushed Gold Coast's running deficit past 1,000 points!

In contrast, Essendon won their match by the narrowest of possible margins after Adam "not so Good"es missed a shot at goal after the siren. The final score of 100 – 99 meant that Essendon's perfect 100% percentage increased by a whopping 0.05%.

There was also a nasty collision in the St Kilda - Fremantle match that I'm sure the Match Review Panel will be called in to examine. Ben McEvoy copped clear contact to the head, albeit by the football itself:

Bang! Head high contact, Severe impact (that ball would have been travelling at a good 60km/h or so), Intentional conduct (the kick was intended for McEvoy). That's 9 activation points and an automatic 4 match suspension for the Sherrin

While I've been able to regain my rightful place at the top of the tipping results the elusive Second Chance entry is being frustratingly...well, elusive, with Emily picking up this week's prize; her first for the season. This means that only me and Khanh remain Second Chanceless with 4 rounds to go. Meanwhile Patrick has plummeted down to fifth place, but that isn't as bad as it sounds coz the top 5 tippers are separated by only 99 cents!
